

Why work with First Impressions Interior Design?

- To develop an overall theme and plan.
- To prevent costly mistakes.
- To tap proven resources. Expert painters & upholsterers are but a few of the resources that I can provide, without having to find them through trial and error.
- To get the best value for your money. Design professionals know what is in the market & where to find what you are looking for to fit your needs.
- I have purchasing power with many manufacturers, suppliers & trade professionals which translate to significant savings for my clients.

I am an experienced professional with over 17 years in the field. I can guide you to make decorating choices which reflect your personal decorating taste while working within your budget and time frame. My goal is to define and enhance your own distinctive decorating style by creating an environment which reflects your preferences. I have excellent working relationships with trade professionals and have qualified resources not available to the public. The savings realized by using these resources are passed on to my clients. Listed below are some of my services.
